

# Where will you play your instrument?

When inventing your instrument it's important to think about where you will be playing it.

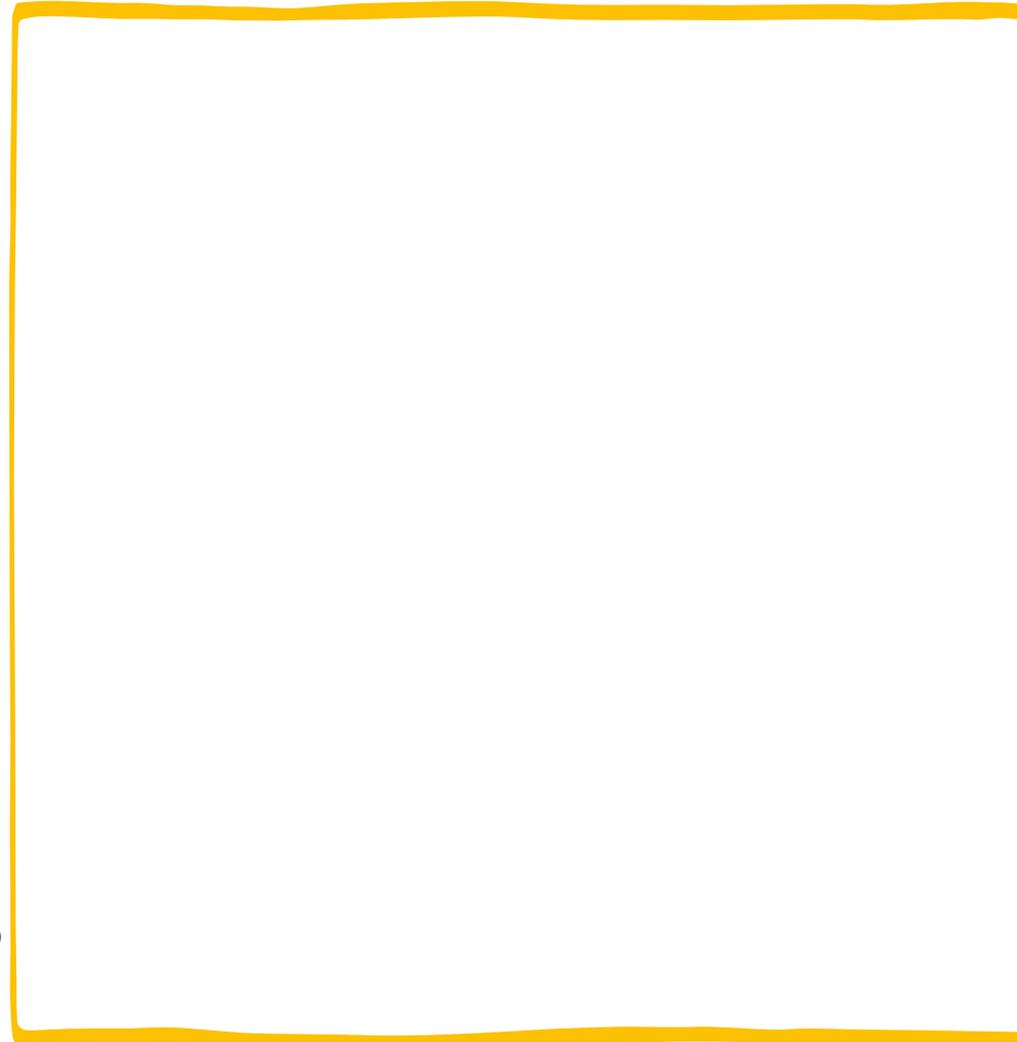

What occasion will it be used for?

- birthday party
- carnival
- school assembly
- bedtime

How will your music affect people or animals?

- Stop a baby crying
- Cheer up a sad puppy
- Help your sunflower grow

Draw your musician at their performance!

Who will be performing?

Will they be playing solo or with others?

How loud does it need to be?

Do you need to plug it in to make it louder?
