

Victorian time traveller!

Imagine that you have
travelled back to Victorian
times, what was life like for
someone your age back then?

*Think about Victorian daily life
and an everyday object from
that time you might use.*

Little Inventors

V&A

1. Describe your object.

2. Why is this object different from objects we have today?

3. What can you invent to make things better, more fun or easier?

4. What is your new object?

Describe what it does and give it a name!
