

# Daily Challenge!

**Pack 3!**

**I'm Dominic Wilcox, the Chief Inventor at Little Inventors and...**

**I challenge you!**

I know a lot of you will now be at home and we want to make sure those brains of yours are kept busy during this time. I present to you, the **Little Inventors Daily Challenge!**

Here is my **third set of 15 challenges** in one place - you could do one, two or all of them if you want! There are challenges that deal with all sorts of problems, some serious and some just good fun. There will be more soon!

Whatever challenge you take, we would love to see it! So upload it to **[littleinventors.org](http://littleinventors.org)** or share it on our social media with tag **#timeforcreativity**.

We will choose our favourite invention every week and the winner will receive their own copy of **the Little Inventors Handbook** to keep the ideas flowing!

1. Draw or make something to stop pollution
2. Using cardboard or old packaging make a time travel machine
3. Invent something to make the room quiet when you are concentrating
4. Draw an invention to help older people move about faster
5. Draw haircuts in the shape of animals
6. Draw or make art that would dogs love
7. Imagine your school in a giant tree. Draw your tree school
8. Draw something that will help you grow a garden inside your home
9. Draw or make gloves that have a clever extra use or a ability
10. Draw superhero outfits for you and your family
11. Invent a piece of clothing to wear on the moon
12. Design a fun way to feed the birds in your garden
13. Invent a fun or bonkers thing to sit on
14. Join two different things together to create a new thing
15. Design the most amazing shopping trolley that can help us shop safely in supermarkets

**Gruff, age 6, No Plooshun Jacket**

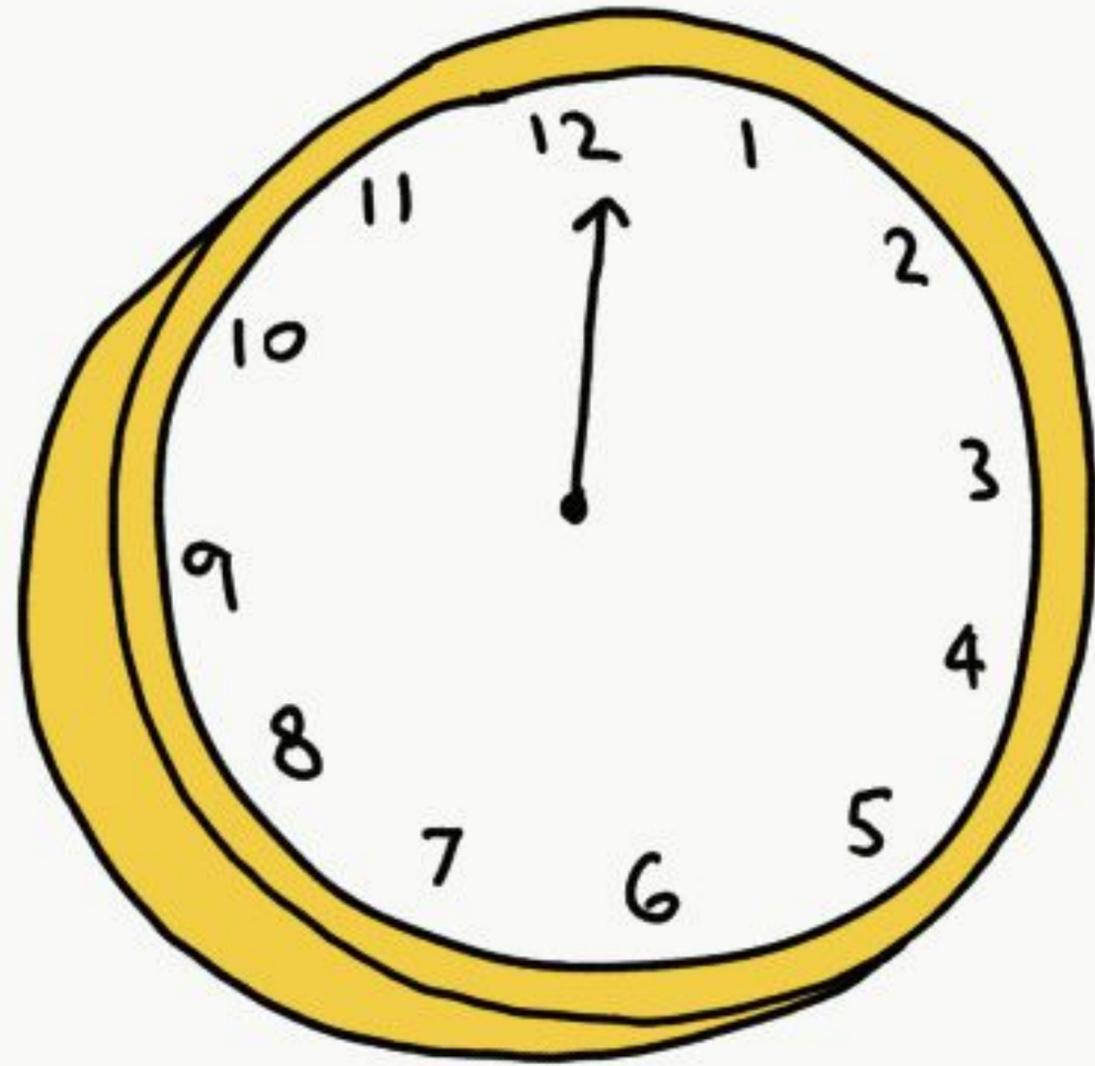

Little  
Inventors

**Daily Challenge #31**

DRAW OR MAKE  
SOMETHING TO  
STOP POLLUTION

Upload your drawings or makes to [littleinventors.org](http://littleinventors.org)
