

# Room for **Mischief** and **Mayhem**

Here are some of the spaces that are at Seaton Delaval Hall. Think about what happens there and how you could make these activities more fun and mischievous - the sillier, the better. Write down any inventions that come to mind inspired by the room or what happens there.

We've started you off with some suggestions but are sure that you will think of lots more ideas.

What happens there? And what is there?
