Create an invention that includes a pineapple in some way. E.g. a fun way to cut or eat it, a silly thing that you can do with one, something that looks like a pineapple but isn't one.

Fun inventions for pets and animals in the Hall - can you create something fun for the horses in the Stables?

Create an invention for making going to the toilet more fun

Create an invention that surprises someone using sounds

Invent a surprising drawbridge

Create a surprising vegetable invention (in the garden or on the plate!)

Invent a crazy way to help people leave the Hall

Create a prank chair invention
