

# Take a deep breath

What the world of oceans will look like depends on what we do for each type of pollution.

Write what action we need to take, what will happen if we do and what will happen if we don't.

2021 United Nations Decade  
of Ocean Science  
2030 for Sustainable Development

Air

We need to:

If we do:

If we don't:

Oil

We need to:

If we do:

If we don't:

Climate Change

We need to:

If we do:

If we don't:

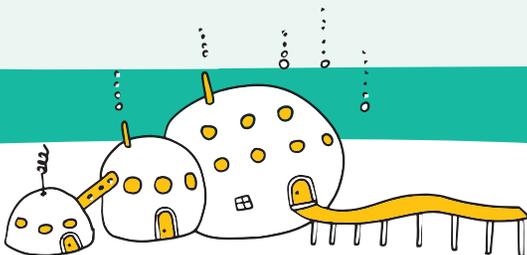

Waste

We need to:

If we do:

If we don't:

Noise

We need to:

If we do:

If we don't:
