

≡ EQUIPMENT ≡

 PENCIL

RULER 

SCISSORS 

 TAPE

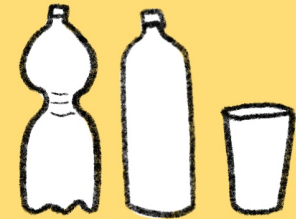

HOLE PUNCH 

 CRAFT KNIFE
(AND HELPFUL ADULT)

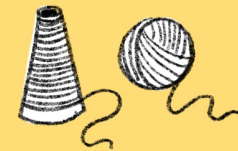

≡ MATERIALS ≡

A PLASTIC BOTTLE
(OR BIG YOGURT POT)

 CARDBOARD
(CORRUGATED LIKE DELIVERY BOXES)

STRING OR THICK THREAD

PLASTIC BAGS
(OR SIMILAR PACKAGING PLASTIC)

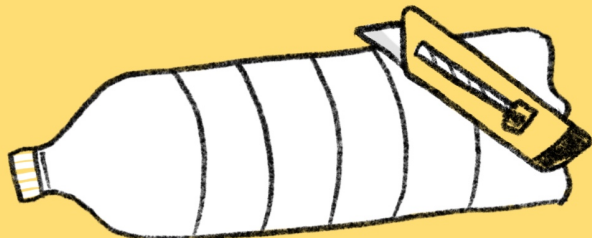

OR

COLOURED TISSUE PAPER

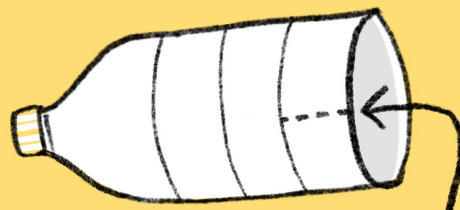

• ASK AN ADULT TO HELP REMOVE THE BOTTOM OF A PLASTIC BOTTLE USING A CRAFT KNIFE.

1

• ALTERNATIVELY YOU CAN PIERCE IT USING VERY SHARP SCISSORS OR A NAIL TO MAKE A HOLE FOR SCISSORS TO FIT INTO.

2

USE SCISSORS TO CUT UPWARDS INTO BOTTLE ABOUT 2.5 - 3.5 CM.

• THEN CUT AROUND THE BOTTLE TO REMOVE A RING. YOU CAN USE THE LINES OFTEN ON A BOTTLE AS A GUIDE.*

3

* DRAWING GUIDE LINES

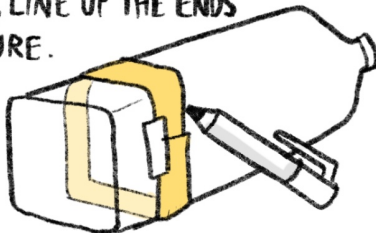

(IF YOUR BOTTLE DOESN'T HAVE THEM)

MEASURE AND CUT A STRIP OF PAPER LONG ENOUGH TO WRAP AROUND YOUR BOTTLE OR YOGURT POT. (2.5 - 3.5 CM WIDE)

• WRAP IT AROUND, LINE UP THE ENDS AND TAPE TO SECURE.

• USE A PEN OR CRAYON TO MARK ALL THE WAY ON BOTH SIDES OF THE PAPER THEN START FROM STEP 1.

• IF USING A YOGURT POT, LINE UP THE STRIP TO THE TOP AND JUST MARK THE BOTTOM LINE THEN START FROM STEP 2.

4

WRAP A PIECE OF TAPE AROUND THE JOIN TO PUT THE RING BACK TOGETHER.

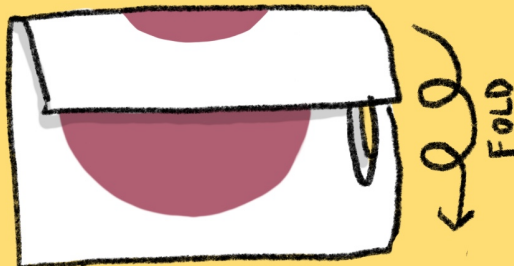

IF YOU'D LIKE TO MAKE A HANGING WINDSOCK YOU CAN USE A HOLE PUNCH NOW TO PUT A HOLE IN EACH SIDE OF THE RING TO ATTACH STRING TO.

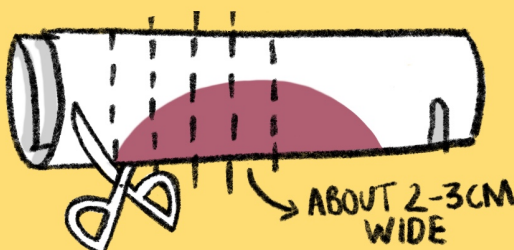

5

- USE DIFFERENT BAGS TO ADD MORE COLOURS OR USE BRIGHT TISSUE PAPER IF YOU'RE NOT PLANNING ON BEING OUT IN THE RAIN!

- FLATTEN PLASTIC BAGS TO CUT INTO STRIPS
- IF YOU FOLD THEM FIRST YOU CAN CUT LONG STRIPS WITH JUST A COUPLE OF SNIPS!

IF THE PIECES ARE LOOPS CUT THEM TO CREATE LONG STRIPS.

NEXT ARE 2 WAYS OF ATTACHING THEM TO YOUR RING

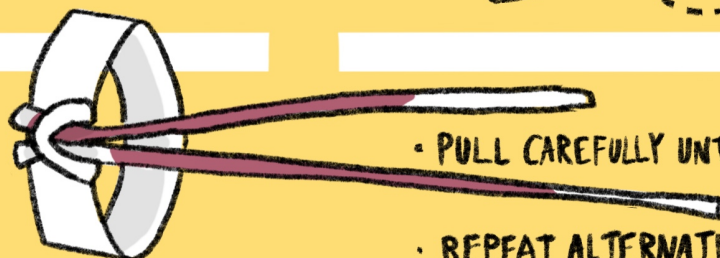

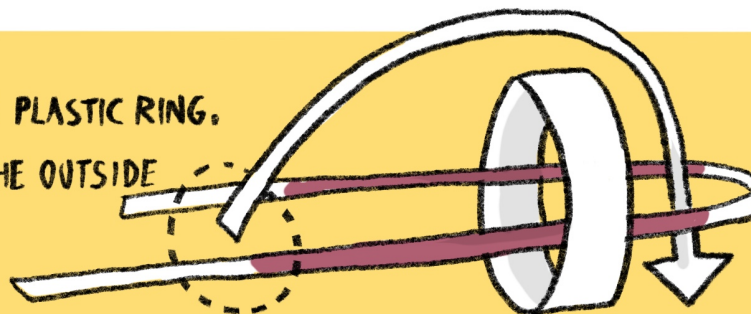

THE FIRST METHOD IS EASIER WITH LONG STRIPS (AT LEAST 40CM)

THE SECOND IS BEST FOR SHORTER STRIPS (AND TISSUE PAPER)

YOU CAN USE A COMBINATION OF THEM TOO!

6

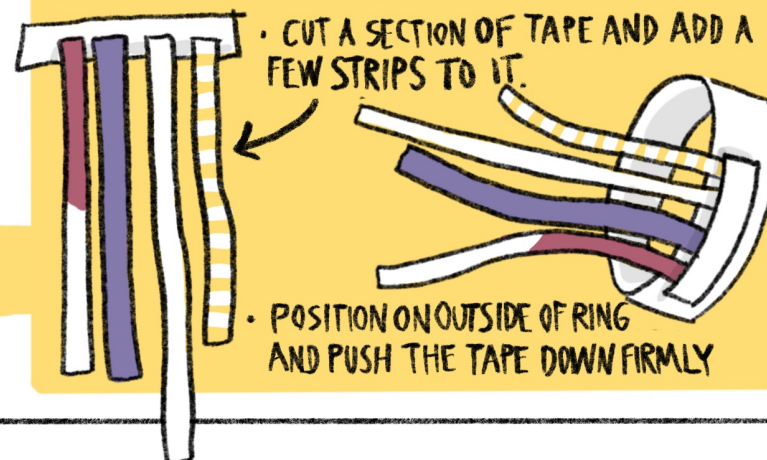

- FOLD A STRIP IN HALF
- PLACE FOLDED END THROUGH PLASTIC RING.
- TAKE THE TWO ENDS OVER THE OUTSIDE OF THE RING AND THREAD THROUGH LOOP

• PULL CAREFULLY UNTILL TIGHT

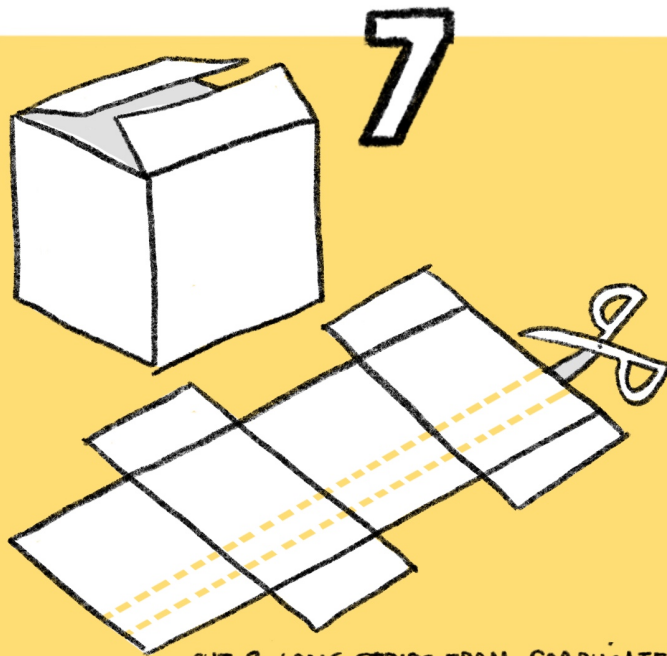

• REPEAT ALTERNATING COLOURS UNTILL RING IS FULL.

- IF YOUR USING TISSUE PAPER ITS EASIER TO USE TAPE TO AVOID TEARING

• CUT A SECTION OF TAPE AND ADD A FEW STRIPS TO IT.

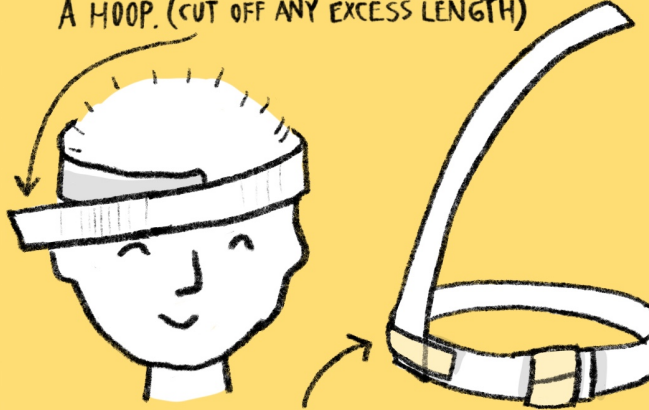

• POSITION ON OUTSIDE OF RING AND PUSH THE TAPE DOWN FIRMLY

CUT 2 LONG STRIPS FROM CORRUGATED CARDBOARD. (ABOUT 3-4 CM WIDE)

WRAP ONE AROUND YOUR HEAD SO ITS TIGHT AND CAREFULLY TAKE IT OFF AND TAPE IT INTO A HOOP. (CUT OFF ANY EXCESS LENGTH)

• TAPE ONE END OF THE 2ND CARDBOARD STRIP TO THE FIRST LIKE THIS.

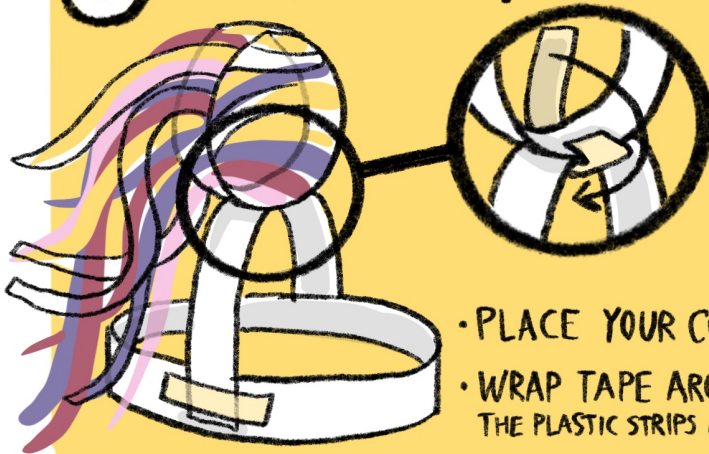

TIP:

YOU WANT THE FLUTES
(THAT'S THOSE LINES YOU SEE IN CARDBOARD)
TO BE THISWAY AS IT'LL BE MUCH
EASIER TO CURVE THEM ROUND YOUR HEAD

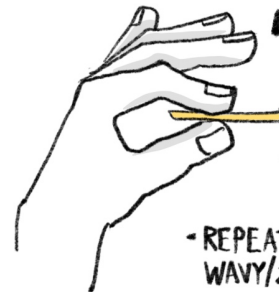

• PUT IT ON AND BEND THIS NEW STRIP OVER YOUR HEAD. TAPE IT SO IT SITS NICE AND SNUG ACROSS THE TOP OF YOUR HEAD (CUT OFF EXCESS)

8 FINAL STAGE!

• PLACE YOUR COMPLETE WINDSOCK RING ON TOP OF THE HAT BASE.
• WRAP TAPE AROUND TO FIX IN PLACE. (YOU MIGHT NEED TO SLIDE SOME OF THE PLASTIC STRIPS APART TO CREATE A GAP FOR THE TAPE ON THE RING)

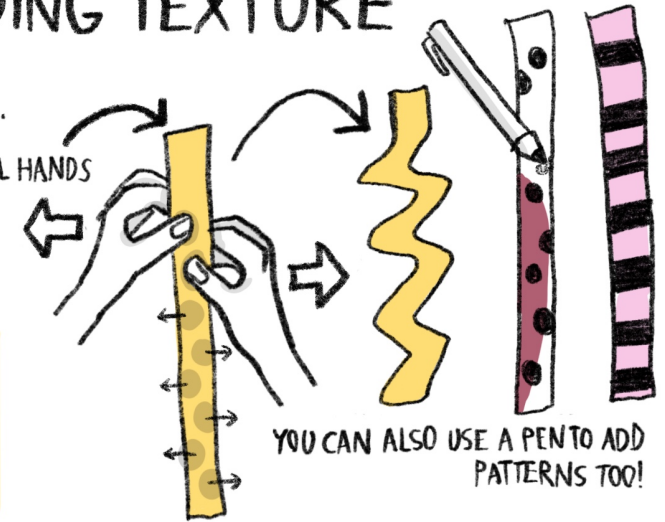

BONUS: ADDING TEXTURE

• HOLD A PLASTIC STRIP BETWEEN THUMB AND FOREFINGER.

• USE BOTH HANDS AND GENTLY PULL HANDS AWAY FROM EACH OTHER.

• REPEAT ACTION DOWN THE STRIP TO TURN IT WAVY/ZIGZAG.

YOU CAN ALSO USE A PENTO ADD PATTERNS TOO!
