

My invention!

Use a black pen,
add colour and label the parts.

The image shows a large square frame composed of various everyday objects and tools. The objects are arranged in a continuous line around the perimeter of the square. The objects include: a car, a plane, a chair, a table, a laptop, a cup, a lightbulb, a fan, a fork, a spoon, a comb, a brush, a pair of scissors, a bottle, a glass, a pencil, a book, a plant, a clock, and a shoe. The frame is designed for a child to draw and label their invention.
