Inventors MONTH

We asked young people to send us some problems to solve, the kinds of problems that stem from everyday things we experience at home, school or anywhere. We selected our top 3 problems for you to solve, so let's invent...

Little Inventors
Ingenious Ideas

Your name & age

Your school & location

Your invention name

The problem you are solving

Tell us all about your invention...

Draw your character here   Use black pen, add colours and labels
